ABOUT LPLUS MARKETING

ABOUT COMPANY

What sets us apart from other companies is our wide range of products such as those embedded with QR codes that can be scanned by individuals in turn earning them virtual points which they may withdraw later on if desired; this also includes quality assurance measures taken up throughout production stages so as not to compromise anything whatsoever towards meeting customers' expectations fully or even exceeding them altogether thus providing value beyond belief always.

MISSION / VISSION

OUR MISSION

At L Plus Marketing, we provide users with different products that contain a QR code for virtual points. We seek to increase customer satisfaction and ensure sustainable growth by being innovative and rewarding.

OUR VISSION

L Plus Marketing dreams of a world where common events are made better by novel items along with digital rewards. Our commitment is to offer unique things which engage people thereby creating room for their growth as well as prosperity while satisfying all their needs without fail.

Earning Opportunity

Buy any product at all then scan the QR code and get yourself some virtual money or freebies. Have fun shopping like never before!
